

## INTEGRATED TRUST SYSTEMS WELCOMES NEW CHIEF COUNSEL

---

December 9, 2019

Integrated Trust Systems (ITS) has appointed a new chief counsel, elevating former Network attorney, Ciara E. Lister, Esq. to the new position.

Lister served in her prior position as Network Attorney since September 2019. Prior to ITS Lister specialized in commercial insurance litigation and Personal Injury. Lister also is a former operations director for a biomedical company based in southwest Florida. A University of Florida Alumna, she received her juris doctorate from Ave Maria School of Law. She is a member of the Florida Bar and is sitting for her Nevada State Bar in February 2020, and is expected to be a Nevada licensed attorney by May 2020.

Lister remarked that she is "excited for this new position that allows her to work with an innovative and inclusive financial and legal advisory network to bring affordable and virtual Estate Planning to the masses" and that she is "confident in the ITS team, in a time of radical *digital transformation* in the legal and financial services industries, to meet and surpass client's expanding expectations."
